"With reference to correspondence ending with your letter No.C. 566 of 25-26 dated the 22nd January 1926 regarding the compensation -- awarded for the acquisition of certain lands belonging to Sri Bheemana-katte Matha, I have the honor to state that the land in question was -- sanctioned to be acquired in Madras Government Order No.G.O.59.L.M. -- dated 14-2-1923. Under section 31(2) of the Land Acquisition Act, the compensation awarded for the plot was deposited on 22-10-23 in the District Court of South Canara, as, at the time of acquisition, there was no one competent to alienate the land on behalf of the Matha. The Matha came under Government Management by the order of June 1923. No notice of acquisition was received by me in my capacity as trustee. It is only by report No.222/24 dated 8-8-24 of the agent Mr. Lakshmi-narayanachar that the matter came to my notice and I took further action in recovering the amount deposited in Court. It is in these ------- circumstances that the Vakil thinks that it is too late to dispute the adequacy of the amount awarded. I do not think that any useful purpose would

would be served by raising up the question at this late stage. The agent himself has not complained about the inadequacy of the compensation awarded. At the time I was apprised of the matter, there was nothing else to be done, but to get the money from the Court."
